

Locating Cancer Information for Your Clinicians and Patients

4 MLA CE credit hours

DATE: Wednesday, December 3, 2008
PLACE: New Jersey Hospital Association Conference Center
760 Alexander Road
Princeton, NJ 08543
<http://www.njha.com/conferencectr/html/mc.directions.aspx>
TIME: 9:30 am – 3:00 pm

This course will cover oncology resources and search techniques. Specific examples will be given for locating different levels and types of information for both clinicians and patients. The course will be taught jointly by a consumer health librarian and a research medical librarian. They will use examples from a large variety of free and fee based resources.

Instructors: Stephanie Fulton & Elizabeth Brackeen, University of Texas M.D. Anderson Cancer Center Houston, Texas
